

DOCTOR of PHILOSOPHY EDUCATION				
MIDYEAR OFFERING 2020				
Program	Batch/Cohort	Course No.	Course Title	Units
PhD Education (Biology Education)	Continuing students who enrolled the Program last term and with BIO 223 course taken	BIO 220	Chemical Physiology	3
		MCB 221	Physiology of Microorganism	3
PhD Education (Chemistry Education)	Continuing students who enrolled the Program last term and with CHEM 230 course taken	CHEM 220	Insturmental Method of Analysis	3
		CHEM 220.1	Insturmental Method of Analysis (Laboratory)	3
PhD Education (Mathematics Education)	Continuing students who enrolled the Program last term and with MATH 299C course taken	MATH 210.1	Modern Algebra I	3
		MATH 211	Linear Algebra	3
PhD Education (Physics Education)	Continuing students who enrolled the Program last term and with PHYS 205 course taken	PHYS 202.1	Foundations of Classical Mechanics	3
		PHYS 203.1	Foundations of Electromagnetism	3
